**SECOND SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
PURSUANT TO 37 C.F.R. § 1.97**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In the counterpart European application (European Patent Application No. 01 987 413.0), a Communication dated September 14, 2005 from the European Patent Office cited certain excerpts from a newly identified reference. Applicants hereby further supplement the Information Disclosure Statement filed on July 19, 2002, and the Supplemental Information Disclosure Statement filed on December 31, 2002 by submitting a copy of the cited excerpts that were included in the September 14, 2005 Communication from the European Patent Office (Appendix A).

The September 14, 2005 Communication from the European Patent Office did not include a copy of the cover page and title page that indicate authors, publication date

and other pertinent publication information of the reference. Unfortunately, Applicants were not able to obtain the particular edition of the reference (second edition in C, c. 1996) cited by the European Patent Office, but were able to obtain only an earlier edition of the reference (second edition, c. 1990). Applicants hereby submit a copy of the cover page, copyright page and the corresponding excerpted pages of this earlier edition (Appendix B) and identify this reference in the enclosed Form PTO/SB/08B. As can be seen by comparing Appendix A and Appendix B, the contents and the page numbers of the cited excerpted pages from these two different editions are exactly identical.

The Examiner is respectfully requested to consider this reference and indicate his or her consideration thereof by initialing the enclosed Form PTO/SB/08B and returning a copy of the initialed form to Applicants' undersigned attorney.

As noted above, the reference contained in this Second Supplemental Information Disclosure Statement was first cited in a Communication dated September 14, 2005 from the European Patent Office in the counterpart European application, not more than three months prior to the filing of this Second Supplemental Information Disclosure Statement.

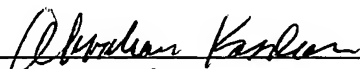

As provided for by 37 C.F.R. 1.97(g) and (h), no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information, and no inference should be made that the information and references cited are, or are considered to be, material to patentability because they are in this statement.

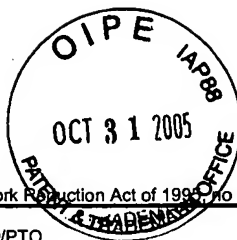

Under 37 C.F.R. § 1.97(c), no fees are believed to be due for submission of this Second Supplemental Information Disclosure Statement, which is being submitted with the statement specified in 37 C.F.R. § 1.97(e) and prior to the mailing date of a Notice of Allowance or a final Office Action in the above-identified application. However, if any fees are due, authorization is given hereby to charge Deposit Account No. 01-1785.

Respectfully submitted,
